Pool Level Terrace

The heart of the property: the pool level frames the infinity pool with stone features and wide-open Aegean views. It is ideal for a ceremony that flows naturally into cocktail hour and a seated dinner on the same level. The atmosphere is warm and effortless – the landscape takes center stage while you shine.

Upper Pool Balcony

An intimate, elevated balcony with cinematic views-made for golden-hour vows, first-look photos, or a private dinner. Combine with the Pool Level for a two-tier concept (ceremony above, reception below, or the reverse) to curate the perfect pacing for your event.

Napul'e Restaurant (Indoor)

A refined, light-filled interior for formal layouts, plated dinners, and an effortless after-party. It's a beautiful primary venue or weather-proof fallback that keeps the aesthetic elegant and unmistakably Cycladic

Rooftop Terrace

Open-sky privacy with sweeping views—designed for sunset ceremonies, intimate receptions, and stargazing finales. The rooftop's clean lines and island textures frame striking photography from day to night.

Flavors of Celebration

At Aeolis Tinos Suites, every celebration is shaped by thoughtful, seasonal, unmistakably Cycladic cuisine. Our Napul'e kitchen builds imaginative menus around the island's finest produce – sun-ripened vegetables, fresh Aegean catch, artisanal cheeses, and fragrant herbs – composed into courses that balance simplicity with quiet sophistication.

From bright, shareable starters to polished mains and elegant desserts, each dish follows your tastes and event flow – intimate elopement, relaxed family feast, or a grand reception under the stars. Vegetarian/vegan menus, kids' options, and late-night bites are available on request.

To complement the cuisine, our bar team crafts signature cocktails with a Tinos twist – infusions, citrus, botanicals – alongside a considered Greek and international wine list with standout Cycladic labels. From a sparkling welcome to bespoke "his & hers" cocktails and pairing menus, every sip is designed to elevate the moment.
